

**CERTIFICATE III (General Construction)
"Statement of Attainment"
WATERPROOFING
BCGWP 3002B - INTERNAL; and
BCGWP 3003B - EXTERNAL WET AREAS**

Consider your future in Waterproofing?

What about a nationally recognised competency based qualification? The *Australian Institute of Waterproofing* in association with the *Australian Management Academy* offers you the opportunity to achieve this nationally recognised qualification.

Eligible Participants:

Do you have three or more years in the construction industry; or two or more years experience in waterproofing; or a construction trade qualification? If so, then you may qualify for entry to this course and gain recognition for your prior learning of competencies through on-site experience.

Content:

- ❖ Waterproofing as the treatment of a surface or structure to prevent the passage of water under hydrostatic pressure or capillary action.
- ❖ To develop an understanding of the principles of waterproofing.
- ❖ To provide a forum to introduce new and updated technologies and methodology within the industry.
- ❖ To develop an understanding of the roles and requirements of regulatory bodies.
- ❖ To provide the skills required to identify common problems and their rectification.

Purpose:

- ❖ The pursuit for standards of excellence within the design, construction, and specifically the waterproofing profession.

The AIW will provide you with –

- ❖ Trainers with industry experience and qualifications;
- ❖ Industry experienced assessors;
- ❖ Innovative teaching methods;
- ❖ A classroom near you.

Your "Statement of Attainment" qualification in both Internal and External Wet Areas

Course Time: 16 Hours* (Statement of Attainment Qualification)

Cost: \$1590.00 (Plus GST)

AIW Members: 10% Discount

CERTIFICATE III (General Construction)

**WATERPROOFING
COMPETENCIES**

BCG31403 Certificate III in Waterproofing (15 Core Units plus 4 Electives)

CORE UNITS: Unit Code

Unit Title

BCGCM1001B	Follow OH & S policies and procedures
BCGCM1002B	Work effectively in the General Construction Industry
BCGCM1003B	Plan and organise work
BCGCM1004B	Conduct workplace communication
BCGCM1005B	Carry out measurements and calculations
BCGCM2001B	Read and interpret plans and specifications
BCGCM2008B	Erect and dismantle restricted height scaffolding
BCGWP2001B	Handle waterproofing materials
BCGWP2002B	Use waterproofing tools and equipment
BCGWP2003B	Prepare for construction process (Waterproofing)
BCGWP2004B	Prepare surfaces for waterproofing application
BCGWP3001B	Apply waterproofing process to below ground level wet areas
BCGWP3002B	Apply waterproofing process to internal wet areas
BCGWP3003B	Apply waterproofing process to external wet areas
BCF2018A	Apply and install sealant and sealant devices

ELECTIVE UNITS (Recommended Units highlighted)

BCGCM2002B	Carry out excavation
BCGCM2006B	Apply basic levelling procedures
BCGWP2007B	Use explosive power tools
BCGWP2009B	Carry out basic demolition
BCGCM3001B	Operate elevated work platforms
BCGCA3012B	Frame and fit wet area fixtures
BCGCO2003B	Carry out concreting to simple forms
BCGWP3004B	Apply waterproofing remedial processes
BSBSBM301A	Research business opportunities

**We have training courses available during
September, October, and November 2008.**

**Register now as places are limited with courses and assessments commencing
soon in your region.**

**To secure your place we invite you to register your contact details via email or fax
